New *AnyTime Unlimited* Long Distance from Cincinnati Bell.

Talk worry-free all month long for just **\$29.95**

- Pay just **\$29.95 a month** for UNLIMITED long distance calls from your home phone to anywhere in the U.S.
- Call *when you want* — any time of the day and any day of the week.
- Call *where you want* — across the state or across the U.S.
- Talk *all you want* — without worrying about hidden charges.

Leave the limits to those other plans.

You probably know of other unlimited long distance plans. What you might not know is that there's usually a catch.

Sure, AT&T offers unlimited long distance for \$19.95 a month. **But calls made to non-AT&T customers are 7¢ a minute...** and there's no way to know for sure whether the person you're calling has AT&T service.*

There's never a catch with *AnyTime Unlimited*. You can call anyone you want — and whether they're a Cincinnati Bell customer or not, you'll always pay the same low rate.

**No surprises. No worrying about your bill.
No time to waste ... OFFER EXPIRES JUNE 30th, 2002.**
