

Forget Capital Expense. Shrink Smart with Verst.

Shrink Like This.

Not Like That.

Shrink labeling doesn't have to mean shrinking profits. Leave your labeling to Verst, and skip the costly capital investment of buying your own packaging equipment.

Outsourcing with Verst isn't just cost-effective, it's also ultra-efficient. You'll zip past the learning curve and hit the ground running, thanks to our 20+ years of experience and state-of-the-art equipment and tooling. And you'll rest easy, knowing we have a team of technical experts, the tightest quality control and total turnkey solutions that go beyond labeling and take you straight to market.

Shrink Your Costs with Verst.

Think of Verst as your no-risk partner for shrink savings and speed to market. Call Will Schretzman at **800-582-6706** or visit www.verstgroup.com/packaging to find out more today.
